“ During lockdown, we have found that students using Audiopi Podcasts are more likely to engage and complete work set. ”

Tom Freeman
English Teacher, Holy Family Waltham

“ We've found Audiopi podcasts extremely useful both as flipped learning homework tasks to prep for upcoming lessons and as a way of reinforcing understanding after taught lessons. Invaluable during the lock-down for remote learning. ”

Ian Osbourne
Sociology Lead, Long Road College

“ We've been using Audiopi for over two years now and it has made a significant difference to teacher workloads & student performance. It has enabled us to create a more sustainable model for revision and our students use it throughout the year. ”

M.R Coombes
Head of History, Haydon School

“ Audiopi helps foster a sense of independence in students as well as offering support for parents and invaluable CPD for staff. ”
